Re: NPDES Permit No. AK-002255-1
John M. Asplund Water Pollution Control Facility

Dear Mr. Chapple:

Enclosed for your information is a copy of a draft National Pollutant Discharge Elimination System (NPDES) permit which we propose to issue to the referenced facility. I understand from the August 2, 1999 letter from Michele Brown to our Regional Administrator that the Department of Environmental Conservation (DEC) has waived its right under Section 401 of the Clean Water Act to certify this NPDES permit. I wanted to send a copy of this draft permit to notify you of our action and secondly, to provide DEC the option to review and certify the permit should the State elect to do so. If we do not receive a reply to this letter, we will assume DEC's position has not changed and that the State has elected to waive its right to certify this permit as stated in the August 2, 1999 letter.

Also enclosed is the public notice as it will appear in the local newspaper, a fact sheet which outlines the basis for the permit, and the Tentative Decision of the Regional Administrator Pursuant to 40 CFR Part 125, Subpart G.

Technical questions regarding the permit may be referred to Mike Lidgard of my staff at (206) 553-1755.

Sincerely,

Robert R. Robichaud, Manager
